• LRTR is a **1.5 acre** community garden located at 260 Kennedy Park Circle in Fergus Falls, MN

• The garden was founded in May 2013 by Lake Region Healthcare as a way to provide better access to fresh produce for improved community health.

• In 2016 over **9,600 pounds of food** including **21 types** of vegetables and **9 types** of fruit were donated to WIC and area Food Shelves from the garden. This helps over **3,000** individuals annually!
